SUPPORTING THE DAIMLER FOUNDATION

<https://www.morrisequestrian.co.uk/daimler-foundation/>

Mission Statement: The Daimler Foundation has been created to support individuals from every aspect of life to participate in horse-riding. We wish to make horse-riding accessible to any individual, as we are aware horse-riding can be a daunting sport for people to try become involved in.

The Daimler Foundation has been proudly opened to support riding for the disabled and to encourage more people to understand the benefits horse-riding and caring for a horse can have on their health and wellbeing. We would also like to use our horses to raise the education, life skills, wellbeing and aspirations of young people growing up in some of the most disadvantaged communities in Glasgow/Ayrshire and to remove the barriers to a sport that can enrich the lives of everyone who participates at whatever level.
